

Shine Like Stars...Wherever You Are!

Families can display their work by making a collage with their stars, a mobile or a “string of stars” to hang from a window, or other visual. Then, take a picture to send to your parish, or to us on Facebook/Instagram/Twitter using the hashtag #shinelike stars. We can’t wait to see your shining artwork!

An image of “Mary, Star of the Sea” has been provided as the center of your collage/mobile/banner:
