## Ask the Bishop

**Q. What is your favorite sport?**  
– Sadie, Mrs. Young's 2nd grade, St. Joseph School, Petersburg

**A.** My favorite sport to play was soccer, the sport of the world! I played soccer from the time I was about 10 all the way through high school. Soccer leagues were pretty new when I was a kid, because that's when it started becoming popular in the United States. I was a midfielder and I liked all the running you have to do – plus, it's just a fun, competitive team sport.  
As I kid, I also played a little baseball – I wasn't

very good, because I started wearing glasses around the same time. I didn't wear my glasses when playing sports, so I couldn't see very well to hit or catch the ball.

In high school, I wrestled for a few years. And one year, I made the JV football team, but didn't make the varsity team because I wasn't big or fast enough!

These days, I like to watch golf on Sunday afternoons. Growing up, I watched college basketball and both college football and NFL games, but I'm on the road a lot on the weekends now. At the end of a busy day, it's relaxing to watch golf – there's just enough excitement and I can still take a short nap without missing the action!
